# Useful Tips & Information

## PUBLIC TRANSPORTATION

**Metrorail** is a 25-mile elevated rail system, with stops approximately every mile.

**Metromover** features individual motorized cars that run atop a 4.4-mile elevated track looping around Downtown Miami and to the Brickell and Omni business districts. It is free to ride. **Metrobus** offers dozens of routes. Metrorail's **Orange Line** connects to and from Miami International Airport's **MIA Mover**, which takes riders directly into the airport. Visit [miamidade.gov/transportation](http://miamidade.gov/transportation) and download the **GO Miami-Dade Transit Tracker app** or call **305-891-3131** to learn more.

**Tri-Rail** is a commuter rail system with 18 stations throughout Miami-Dade, Broward and Palm Beach counties, including service to Miami International Airport and a connection to the **Brightline** train station in Downtown Miami. For more information, visit [tri-rail.com](http://tri-rail.com) or call **800-874-7245**.

## BRIGHTLINE

**Brightline** ([gobrightline.com](http://gobrightline.com)) offers express train service between Downtown Miami, Aventura, Fort Lauderdale, Boca Raton, West Palm Beach and Orlando. It also offers fixed-route shuttles and **Hard Rock Stadium Connect** shuttle service between the Aventura station and Hard Rock Stadium before and after select events.

## TROLLEY SYSTEMS

Free trolleys operate in Coconut Grove, Coral Gables, Homestead, Doral, Wynwood, the City of Miami and Miami Beach. A free trolley runs back and forth from downtown Homestead to Everglades and Biscayne national parks every weekend in winter and early spring.

## FREEBEE SHUTTLES

**Freebee** ([ridefreebee.com](http://ridefreebee.com)) offers free rides on electric vehicles in various neighborhoods.

## TAXIS

## TOLL ROADS

Florida's Turnpike and portions of some highways in Miami are toll roads. Tolls are automated, and there is no need to stop at a toll booth. If renting a car, ask your car rental agency about options for paying tolls. Some rentals are equipped with a **SunPass**, **PlatePass®** or **Pass24®** to pay tolls electronically. If your car does not have one of these devices, you can use **Toll-By-Plate**. Just drive through, and the tolls will be added to your bill. An administrative fee will be added.

## STAY SAFE ON MIAMI'S ROADS WITH 511

The Florida Department of Transportation's (FDOT) **511 Traveler Information System** offers information about crashes, congestion, construction and more. Call **511** or visit **FL511.com** for 24/7 live traffic information.

## DRIVING & TRAFFIC REGULATIONS

Texting while driving is prohibited. U.S. law stipulates driving on the right side of the road and passing on the left. Right turns after a full stop are permitted at red lights unless otherwise indicated. Everyone riding in an automobile is required to wear a seat belt. Children under 5 must be fastened securely in government-approved car seats.

**Division of Driver Licenses: 305-229-6333** The state of Florida recognizes valid U.S. driver licenses, international driver licenses and valid licenses issued in other countries.

## PARKING

Hourly parking options in many municipalities can be found and paid for using the **PayByPhone app** ([paybyphone.com](https://paybyphone.com)).

In addition to the PayByPhone app, parking in City of Miami and City of Miami Beach garages and parking lots can be reserved and paid for using the **ParkMobile app** ([parkmobile.io](https://parkmobile.io)).

Special event, overnight, long-term and cruise parking can be reserved and paid for on the **Miami Parking Authority** website: [miamiparking.com](https://miamiparking.com)
